Occupational Health and Safety Management System Certificate **ISO 45001:2018**

We certify that the Occupational Health and Safety Management System of the Organization:

GREINER S.p.A.

is in compliance with the Standard UNI EN ISO 45001:2023 for the following products/services:

Design, manufacture (through mechanical processes such as bar cutting, drilling, turning, threading, assembly, and testing), and servicing of shut-off valves, meter brackets, and fittings for water and gas distribution.

Manufacture of instruments, equipment, and electronic systems for the measurement, analysing, and control of fluids, through assembly operations.

Design and manufacture of water meters through defined assembly stages.

Management System Certification

Division Manager

Stefano Bertoncini

The maintaining of the certification is subject to annual surveillance and dependent on the observance of Kiwa Cermet Italia contractual requirements.

This certificate is composed of 2 pag.

The following technical datasheet provides details concerning the scope of certification

GREINER S.p.A. **Registered Headquarters**

Via Montesuello, 212 25065 Lumezzane (BS) Italy

Certified sites
